Routine is a part of student life. These routines form the patterns that fabricate school life.

The physical aspects of these patterns are all around us: columns of lockers, rows of desks, and stacks of books. Patterns are obvious in the changing of classes, and attending weekly assembly programs and class meetings. Those who participate in extra-curricular activities realize that they are subjected to the demands of other patterns.

Although patterns largely determine a student's activities, these patterns are futile unless they provide the means by which a student learns to think as an individual. This thinking student is one who is able to apply the knowledge that he has acquired from the pattern of four years of high school.

We the Class of 1961 present this **Tiger Lily**, our conception of the patterns of high school life as evidenced in the faculty, seniors, athletics, special events, clubs, and underclassmen.

foreword

DEDICATION

It is with gratitude and appreciation that we, the class of 1961, dedicate our yearbook to a member of our faculty who has willingly devoted his time to serve our school as Athletic Director, and Track Coach. He is a teacher of physical education and health and also a senior class advisor.

A proponent of the old saying, "A sound mind in a sound body," he has instilled in us the importance of good health and sportsmanship and has taught us through his emphasis on personal grooming and first aid that a sound mind in a physically fit body is necessary for good citizen-

ship. In his cheerful, willing way, he has shown us how to become good citizens by setting an example of good humor, pleasing personality, and perseverance. With these traits, he has given us the desire to attain a goal in life that will enable us to prove to others that our school has fulfilled the goal of public education giving each of us the foundation for strong character and integrity.

Therefore, we wish to dedicate this edition of the TIGER LILY to a person who has helped us realize the value of a good public education, our friend and teacher—Mr. R. Dann.

Our CLUBS AND ACTIVITIES

With the background pattern of the drapes made by the Home Economics girls, the President Joan Gustavel and Vice-President Louise Kazimer are surrounded by J. Dates, J. Redmond, J. Henning, A. Ostrander, A. Cornelius, L. Nichols.

The Future Homemakers of America Club consist of girls who have taken a minimum of two years of home economics. Each year, the group has a demonstration at the annual Farm Show in Harrisburg. This year, the group placed eighth with the demonstration of cutlery. Joan Gustavel, second vice-president of the State F. H. A., was among the eight girls from Port Allegany who received their state degree this year.

One of our club activities which requires intense concentration is chess. The game has to progress only a few minutes before the players are deeply engrossed. It stimulates thinking, patience, and mental prowess.

Pictured at right are P. Sweeney, L. Shelly, J. Goodrich, D. Patten.

SUPERINTENDENT'S MESSAGE

On behalf of the Board of Education and the Administration, I extend congratulations to the graduating class of 1961. You are the first class that has had all of its secondary education in the new union district junior-senior high school. Because yours is the first graduating class, you are the standard for future classes. We are all proud of you and the standards which you have established. Your great achievements give you the right to be proud, too.

Now that you have completed your high school education you must assume the responsibilities of a greater role in society. We are confident that

you have acquired the basic tools and understanding required for these greater responsibilities and that you will continue to distinguish yourselves in the coming years.

We wish you success and happiness in your new status of responsible adult citizens and extend to you a sincere invitation to consider yourselves as a part of our school system. Your interest and support in our schools are necessary so that future classes will enjoy and profit from the educational opportunities which have been made available to you.

Our social studies program teaches us how the past civilizations have affected us and our society and prepares the student for his community, his nation, and the world. Through social studies, the student learns to develop an appreciation of the truth and learns that people throughout the world are basically the same.

Our social studies department has encouraged student projects such as term papers and the reading of historical literature other than the text books used in classes. The World News Maps and other current news sources are used to keep the student body abreast of current and timely events as they occur throughout the year.

SCIENCE

Pictured below are Mr. Bates, Mike Reed, and Peter Bigley. The Sophomore Biology Class was learning to test for protein in various foods.

L. to R.: Mr. Bates, Mr. Brown and Mr. Swinsick.

By studying science, a student develops proper skills and techniques, and learns to reason in a logical and scientific manner. If he possesses scientific potentials, he may develop them to their fullest capacity; however, if he does not intend to use science extensively in the future, he may acquire general scientific knowledge which will be of value to him in his daily life.

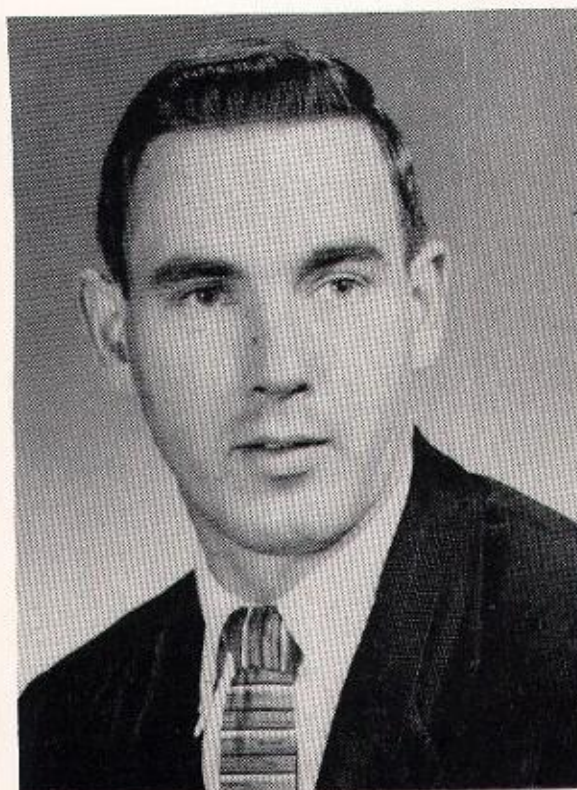

Potentialities of outer space have placed increased emphasis on science in our high school. The courses offered in science are general science, biology, chemistry, and physics. In addition to classes, the Biology and Science Clubs help to increase and encourage scientific interest. As an added project, the General Science class is taking brief advanced courses in biology, chemistry, and physics.

CAFETERIA PERSONNEL

L. to R.: Mrs. Hughes, Mrs. Nelson, Mrs. Baker, Mrs. Newton, and Mrs. Kirkman. **Not pictured:** Mrs. Greenhill.

Lunchtime rates highly in importance in a student's daily life. The friendly cafeteria personnel, the excellent meals, and the opportunity to relax with friends make lunchtime an enjoyable experience.

Everyday, approximately 550 students are served. Considering the inadequate size of our cafeteria and the number of students served, our cafeteria personnel deserves much credit and appreciation.

Pictured at the right is Mrs. Price, the Cafeteria Director.

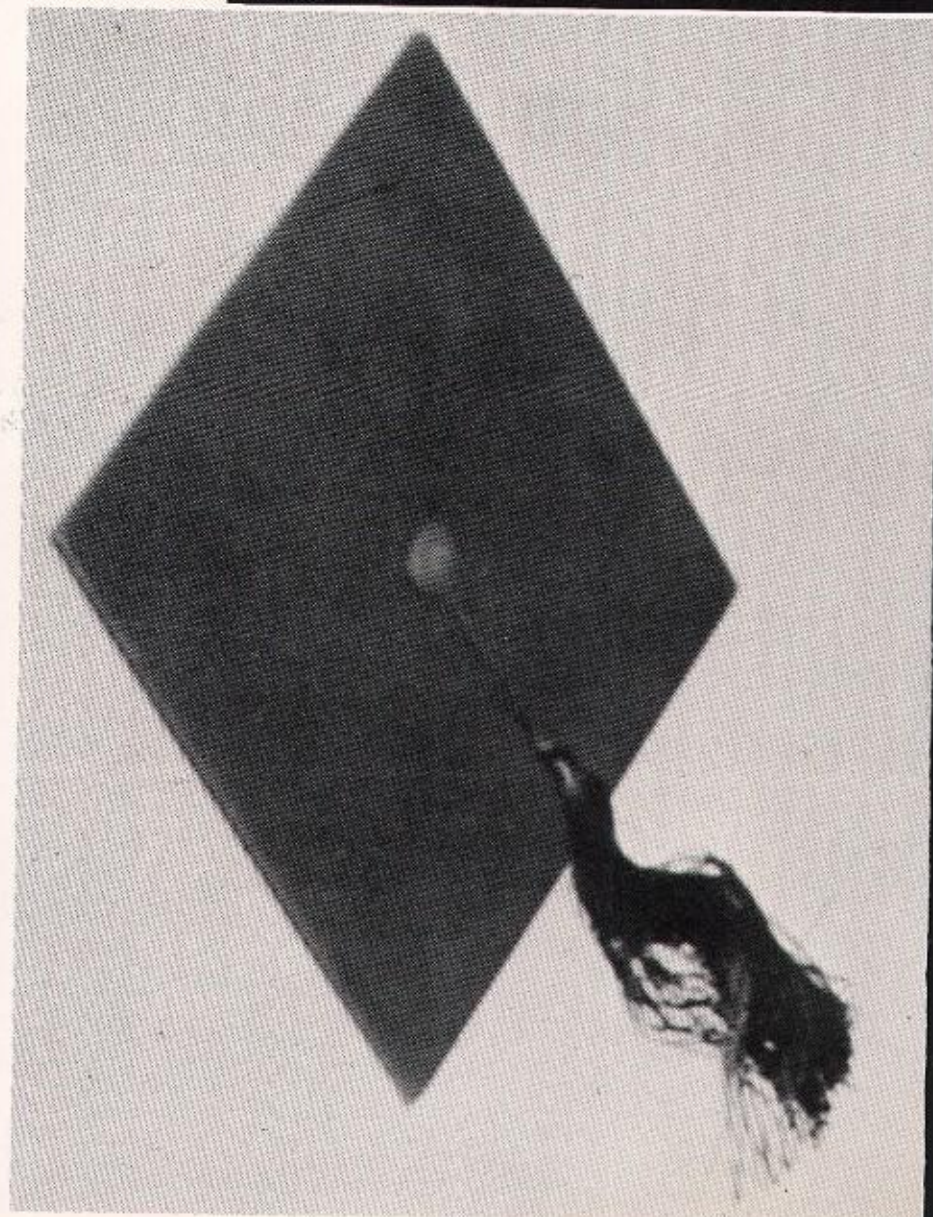

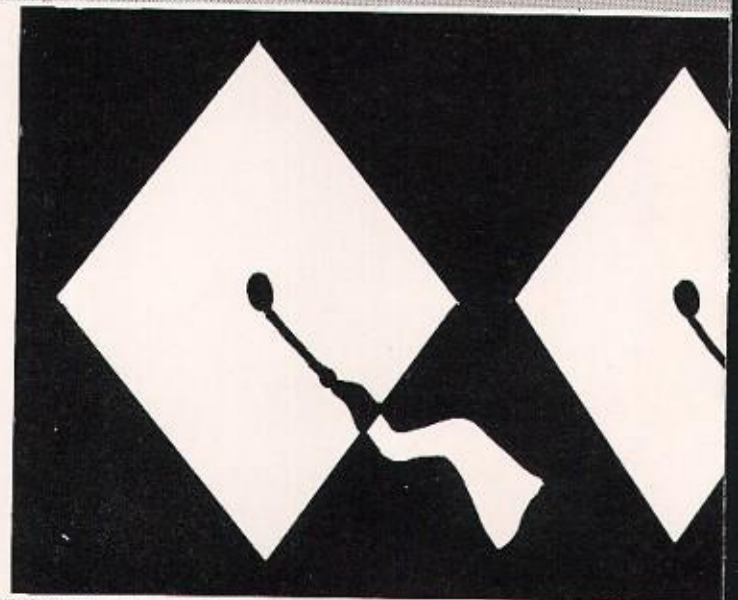

Seniors pictured during lunch-hour are: Anna Taylor, Jane Hardes, and Joan Gustavel.

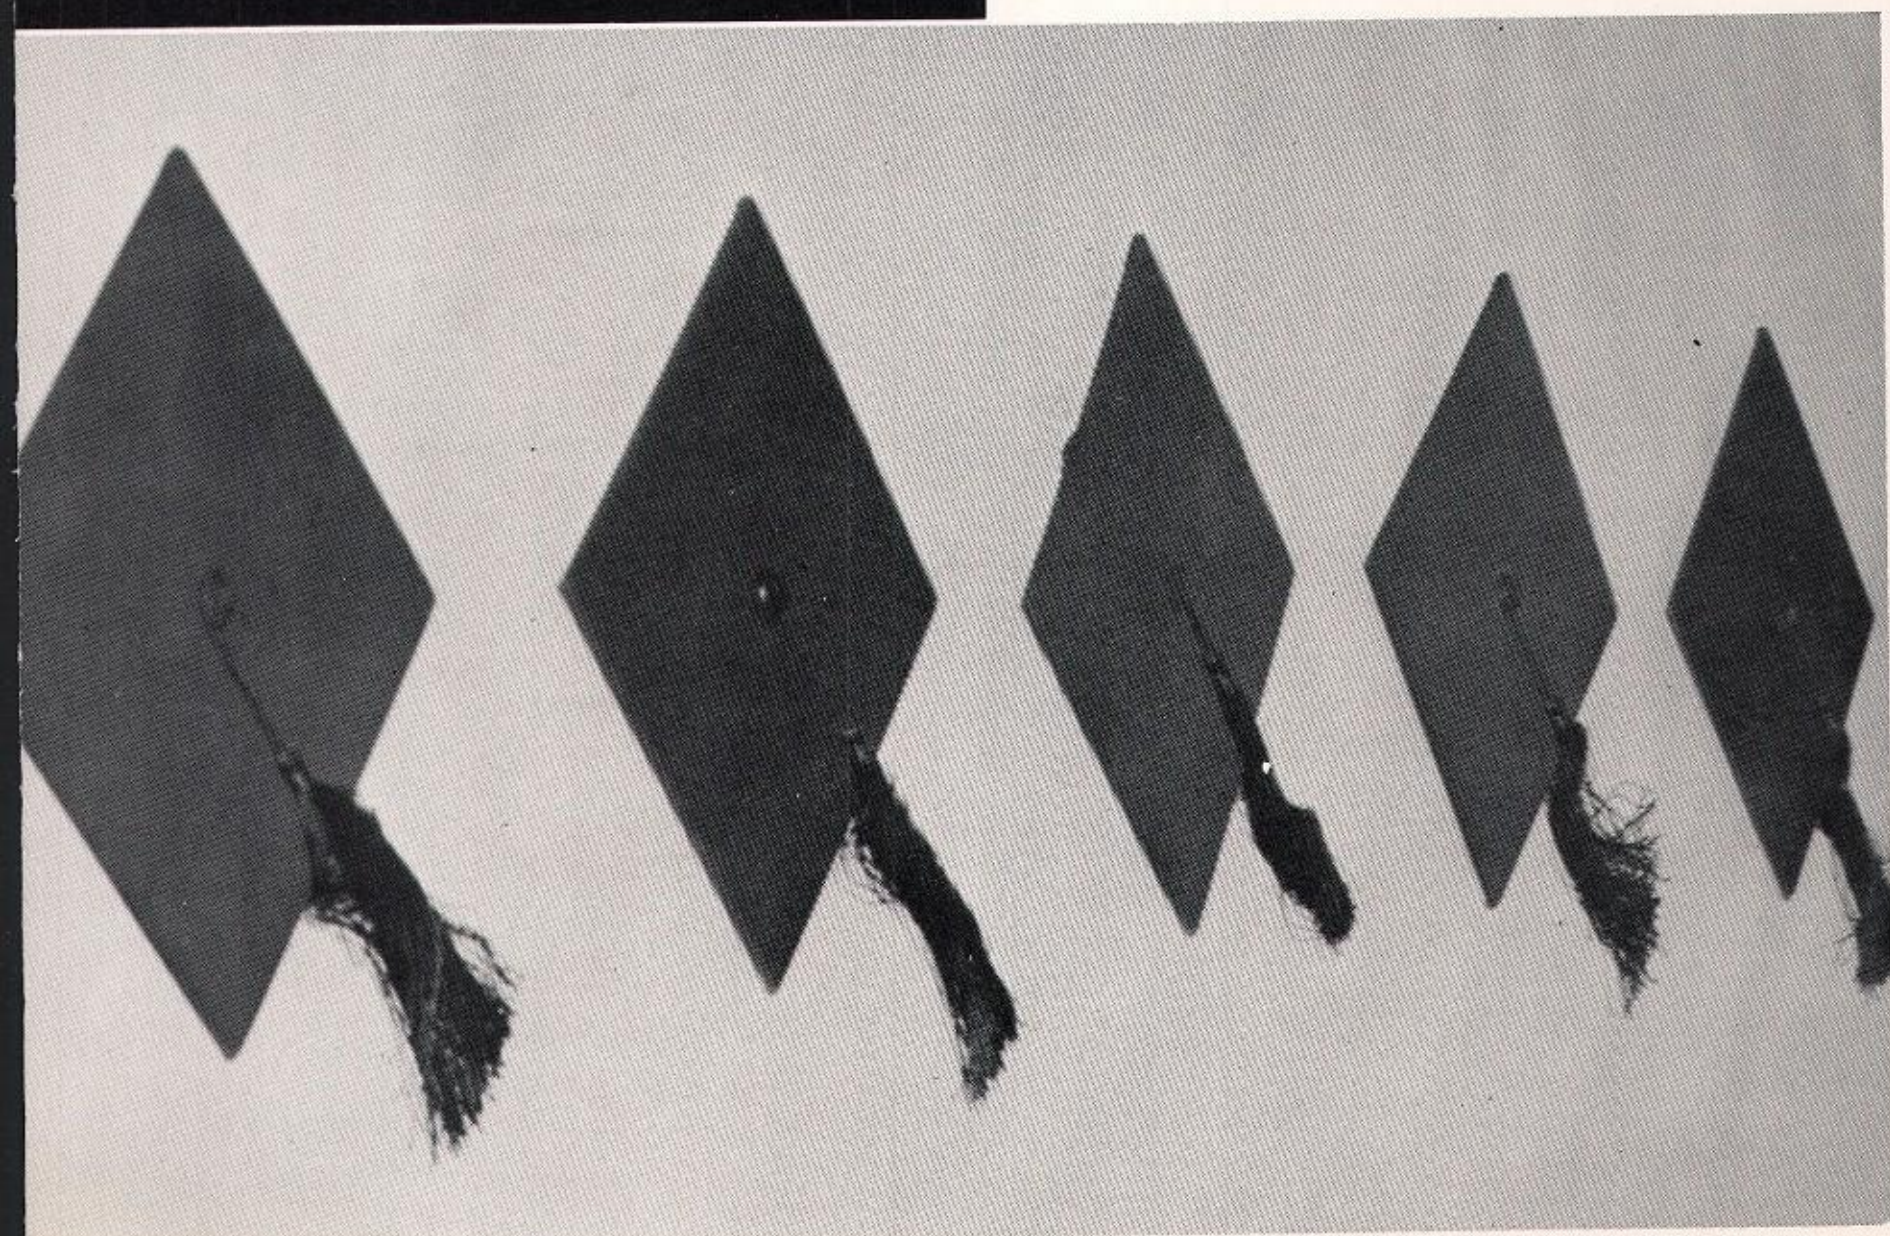

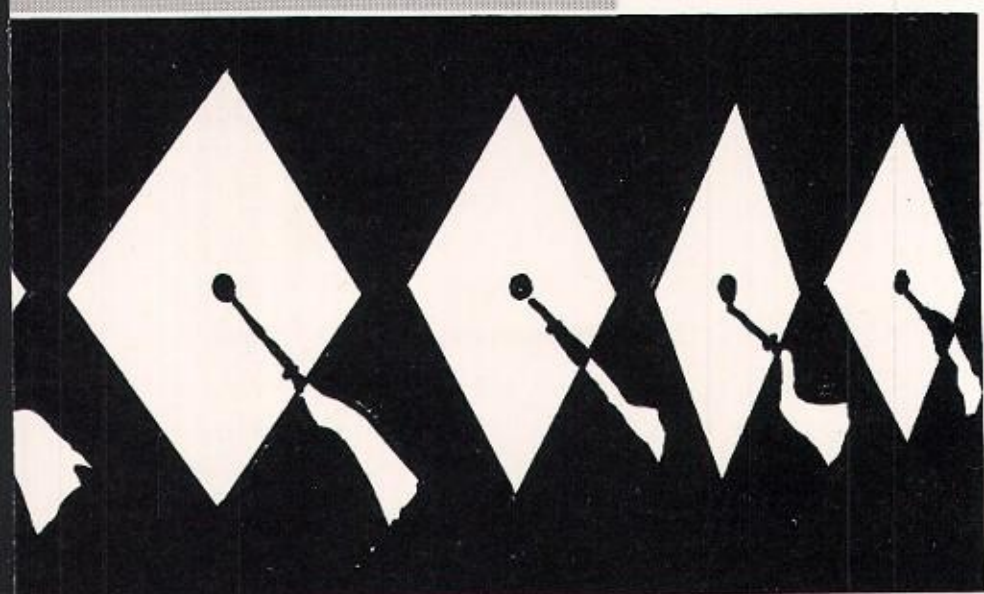

Arendse Dyssel, our Foreign Exchange Student, joined our class in January. Arendsa comes from Denmark.

SENIORS

Pictured top to bottom: Dick Brown, president; Linda Culver, vice-president; Jim Carlson, secretary-treasurer.

In September, 1955, 112 seventh graders entered the modern Junior-Senior High School Building, recently constructed to provide the student with full opportunity for an education in harmony with his personal and social needs, and proceeded to their assigned homerooms in the Junior High wing. Realizing the advantages and assurance of success which the pleasant and well-equipped building offered them, these students strived to follow a proper pattern of development in their secondary school training. During the following five years, 137 different individuals contributed to the progress made by the class. One member, Norman Strait, died during the summer of 1959.

In 1960-1961, ninety-one students became the first group to have completed their six-year secondary education in the new school building. These members of the Class of 1961, fifty girls and forty-one boys, have received the full benefits of a modern curriculum. The Class of 1961 has had the additional distinction of having in its membership Holger Skribanowitz of Bremen, Germany, our school's first Foreign Exchange Student.

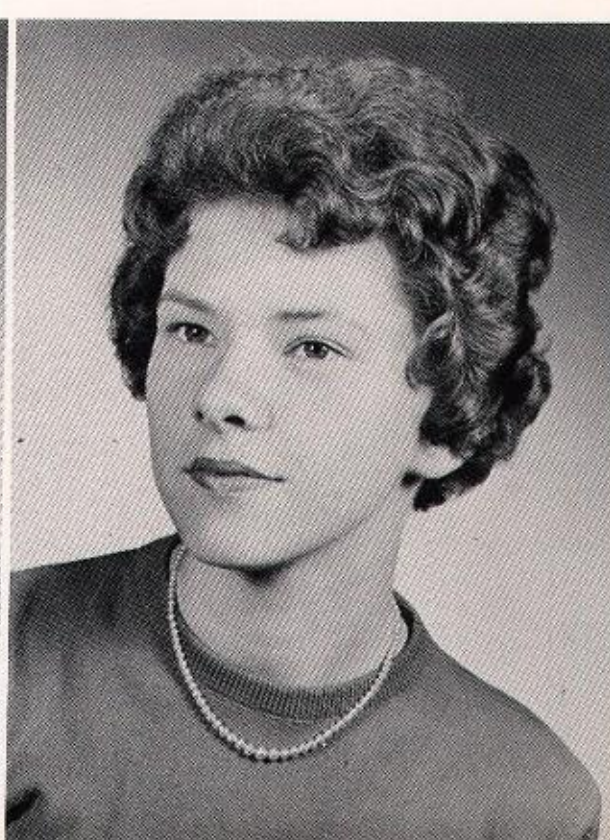

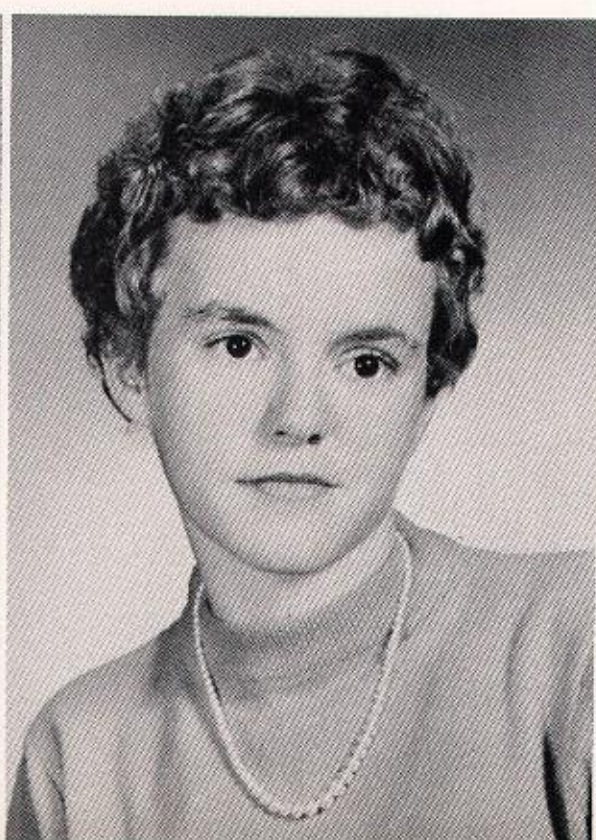

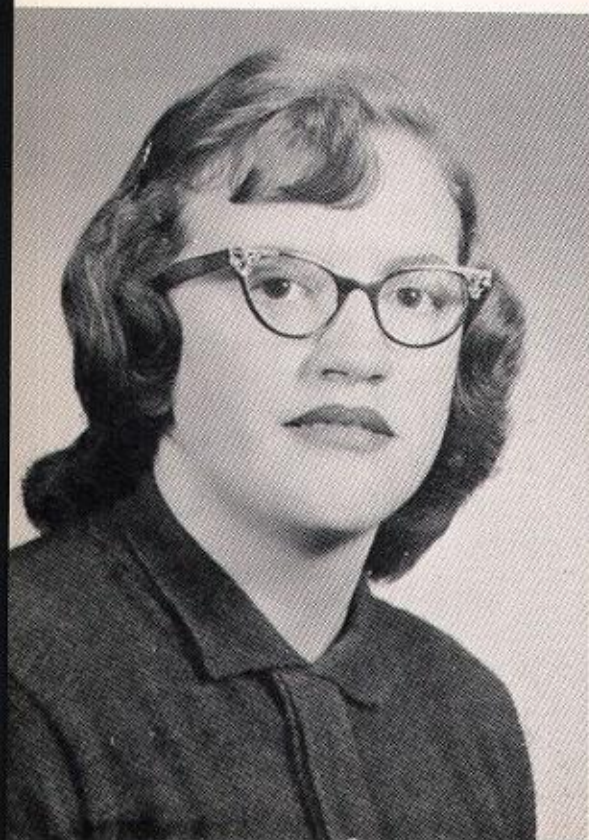

Of the total membership in the class, thirty-two have pursued the Academic Course; eighteen, the Commercial Course; twenty-nine, the Vocational Courses; and twelve, the General Course. Twenty-three individuals plan to attend college; three will enter nurses' training.

The motto of the Senior Class is "Onward we go to reach our goal." The class colors are orchid and white and the class flower is the white carnation.

During the 1960 football season, the Gators compiled a successful 6—2 record. The orange and black brought home to our school, the "Oilcan" Trophy. This trophy is symbolic of football supremacy for the "Little Four" composed of Coudersport, Otto-Eldred, Port Allegany, and Smethport.

The nucleus of the 1960 squad, the returning lettermen, were Wykoff, Johnston, Gregg, Price, Brown, Ryan, and Burg. After pre-season practice, Jewart, Sherwood, Hildreth, Baker, and Benson became members of the varsity eleven.

The first game of the season was a big win over the defending champions of the A.M.L., St. Marys. The team continued with wins over Otto-Eldred and Emporium. Playing Kane for the fourth game, Port lost in the fourth quarter 33-21. This game was one of the best of the season.

Wins over neighbor Coudersport and perennial foe, Smethport followed. The Portmen lost their second game of the season to powerful Sheffield, winners of the Allegany Mountain League.

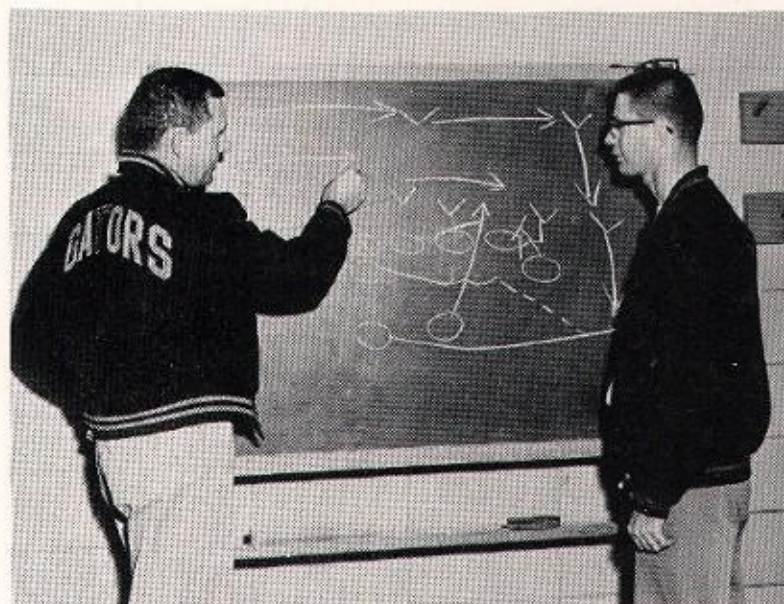

Top Row: Ray Turner, Bob Buckheit, Charley Burg, Mr. Rackish. **Front Row:** Joe Ryan, Ken Cornelius.

The last game of the season brought undefeated Portville to our home gridiron. Displaying great team spirit and a will to win, our team won in the closing minutes, 26-20.

Characteristic of our football varsity during the season was the great unity and feeling of concern and help for each other. These attributes proved to be the vital ingredients necessary for the Gator's success in the 1960 campaign.

FRESHMAN FOOTBALL

Although they were not entirely separate, the group played three games. In the first game the ninth-graders were beaten 49-9. This game, however, was with the Smethport J.V.'s.

Playing the Smethport Freshmen twice, the scores were 7-6, and 20-6, in favor of Smethport.

JUNIOR VARSITY FOOTBALL

Playing a total of six games, the younger edition of the Gators finished with a record of 3-1-2. The lone Junior Varsity loss was at the hands of Coudersport, 26-6. This loss was reversed, however, when in their second meeting the Gators came out on top, 7-6.

The greatest team effort was shown when the Port men won in the snow over previously unbeaten Smethport, 7-0. The two ties were with Emporium and Otto-Eldred.

Led by Ray Turner and Bob Buckheit, the Junior Varsity gave some good indications for Port Allegany football for next year.

VARSITY BASKETBALL

This year's varsity squad was composed of five returning letter-men: three seniors, one junior, and one sophomore. The starting line-up was greatly assisted by the experienced members of the Junior Varsity squad. Having begun the season with an uncertain degree of success, the team developed into a leading league contender for the Northern Tier crown and pursued Sheffield, Emporium, and St. Marys for the AML championship.

Coached by Mr. Hallstrom, the Junior Varsity competed successfully with most teams in the area. Jim Sherwood, Gary Gleason, Rick Summerson, Tom Hines, and Paul Bozzo were the usual starting five. Bob Buckheit and Jim Deitrick alternated in both varsity and junior varsity games. This group, with Keith Hildreth, Jim O'Conner, Sterling Baker, Mac Glesk, and Ray Turner, will compose the varsity for next year.

Some of the most evident patterns observed in our high school are those presented by the cheerleaders as they arrange themselves in their various formations to cheer our teams on to victory. These ten girls promote good sportsmanship and school spirit.

Co-captained by Seniors Judy Gamble and Karen Manning and aided by Juniors Sandy Van Sickles and Ellen Ostrander, this group spends a great deal of time perfecting their cheers. The new advisor this year is Mrs. Diane Babcock.

The Junior Varsity group has four members. It is through the efforts of this group that our Junior Varsity teams receive school spirit support.

Physical Education courses are supplemented by the Boys' and Girls' Tumbling Clubs. These clubs are organized to provide extra recreational activities. The recreational periods are held weekly in the evenings by Mr. Dann and Mrs. Tronetti.

Various activities and many devices are employed to develop students' skills in the areas for which they are best suited. In the spring, outstanding gymnasts exhibit their skills in the annual Gym Show.

INTRAMURAL SPORTS

Jim Dates and Douglas Kuhn.

Intramural sports play an important role in our school athletic program. These sports give students the opportunity to participate in activities other than those of the interscholastic basketball, football, and track teams.

The ping-pong tournament attracted thirty-two boys this year. The participants competed for a first-place medal in the tournament.

Mr. Dann and Mrs. Tronetti also conducted basketball tournaments, a girls' bowling tournament, and a girls' softball tournament.

A twelfth-grade academic team won the girls' volleyball tournament in which nine teams participated. Twelve teams competed in the boys' volleyball tournament. The "White Lightnings," a group of Junior boys, won the tournament this year.

SENIOR PLAY

Standing: Mr. Babcock, L. Culver, L. Dunbar, E. Gustavel, S. Simar, J. Ryan, C. McGee, S. Warner, J. Carlson, P. Stuckey, H. Dawley, T. Lloyd, Mr. Campbell. **Bottom:** J. Gamble, B. Hyde, J. Gustavel, K. Ryan, P. Connolly.

Pictured below are H. Dawley, E. Gustavel, K. Ryan, L. Dunbar, S. Warner; Crisis, Act III.

As the wind howled outside on a bleak December night, a pair of frightened "youngsters" chased a much too lively "corpse" around the stage of the high school auditorium.

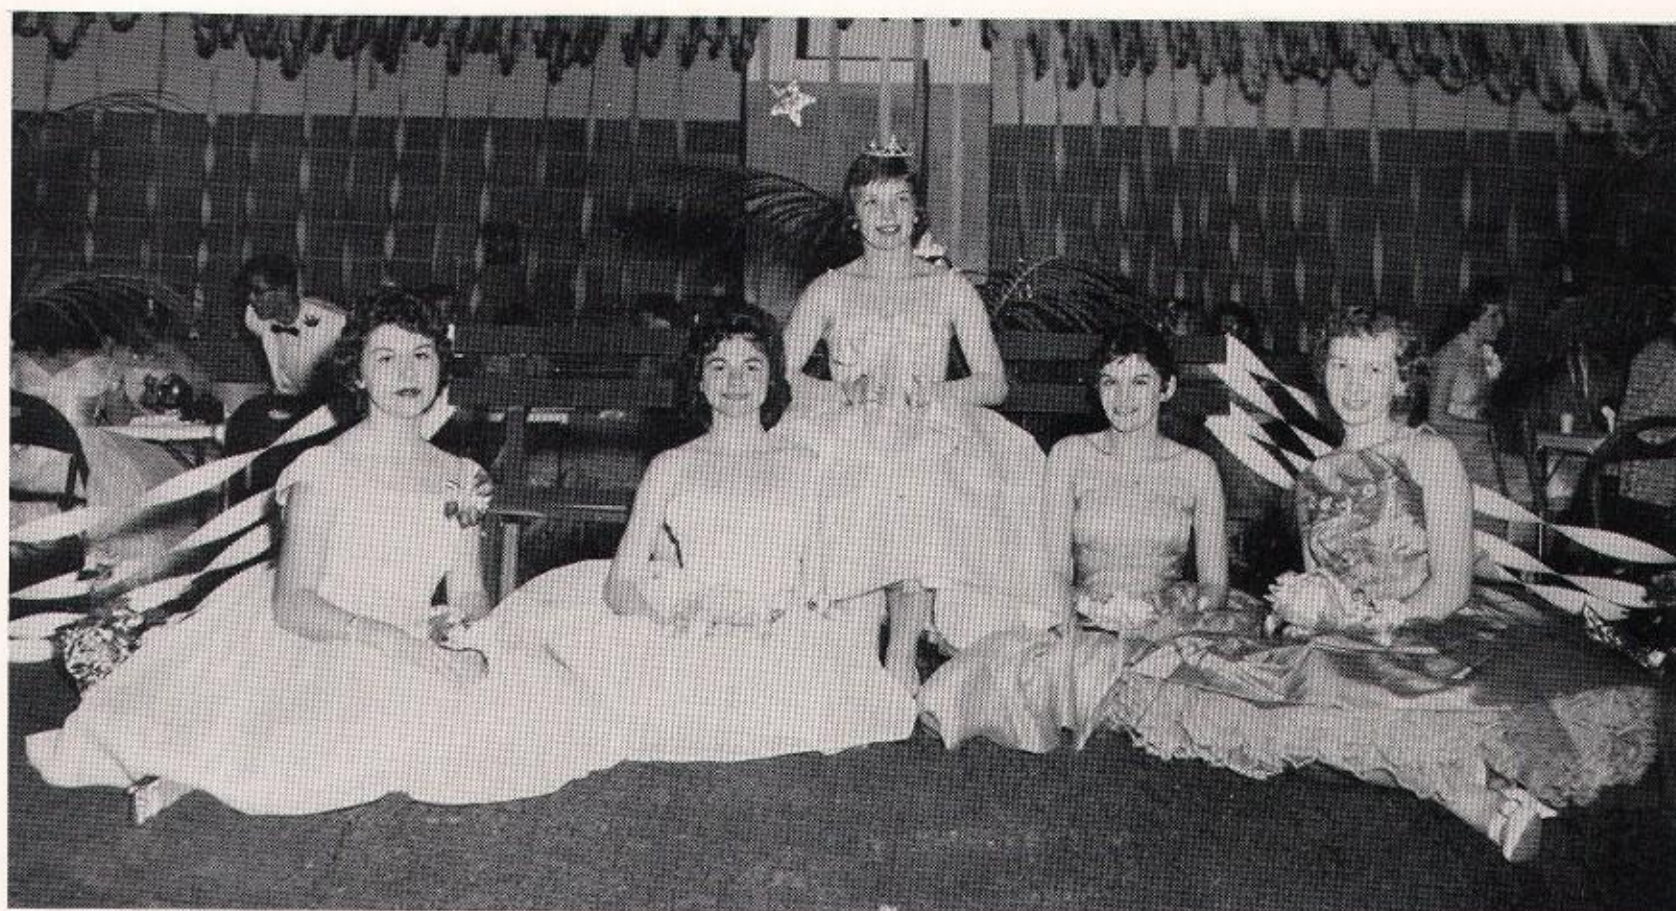

Thus, another piece was fitted into the varied pattern of senior activities on December 10, 1960, when our Senior Class presented its annual play "Finders Creepers."

Every play requires strict adherence to a planned pattern of rehearsals. This three-act mystery-comedy was no exception to the rule. The cast and the directors had many hours of rehearsal before presenting the play.

Pictured below are B. Hyde and J. Carlson; Scene in Act II.

L. to R.: Pearl Robinson, Kay Raymond, Ingrid Johnson, Barbara Jordan, Alice Carlson.

Pictured above is Ingrid Johnson, Queen of the 1959-60 Junior-Senior Prom. Ingrid was crowned by the President of our Junior Class, Ronnie Johnston.

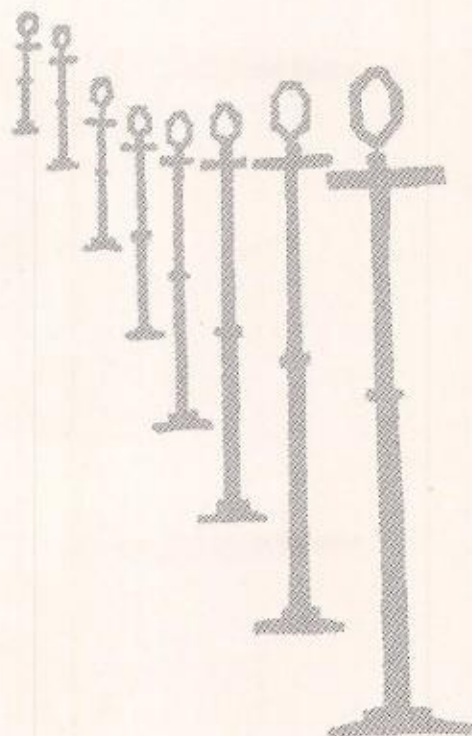

Members of her court were Pearl Robinson, Kay Raymond, Barbara Jordan, and Alice Carlson. The girls in this group were elected by vote of our Junior Class.

JUNIOR-SENIOR PROM

Maxine Goodrich and Duane Gregg are shown on the left.

Music for our Prom was furnished by Al Checci and his orchestra. The gymnasium was decorated in aqua and white. Ed Gustavel served as chairman of the Prom decorating committee.

The Junior-Senior Prom was held May 14, 1960. Lamp posts and park benches created the atmosphere for the theme, "The Old Lamplighter." The center of the gymnasium was attractively decorated with a realistic park including grass, flowers, and a pool.

After the Prom, many of the couples attended a Post-Prom Party which was held at the Masonic Hall. This party was sponsored and chaperoned by the parents of the Junior Class. Bowling, table tennis, and dancing were enjoyed by the students.

JUNIOR-SENIOR PROM

During intermission, all Juniors and Seniors participated in the Grand March. The procession was led by the Class Officers and their dates. Barbara Doan and Leroy Skinner are shown in the foreground.

ASSEMBLY PROGRAMS

During the school year, the student body enjoyed both educational and entertaining assemblies. Students presented some of the programs; professional lecturers and performers, sponsored by the Board of Education, made additional contributions on various occasions.

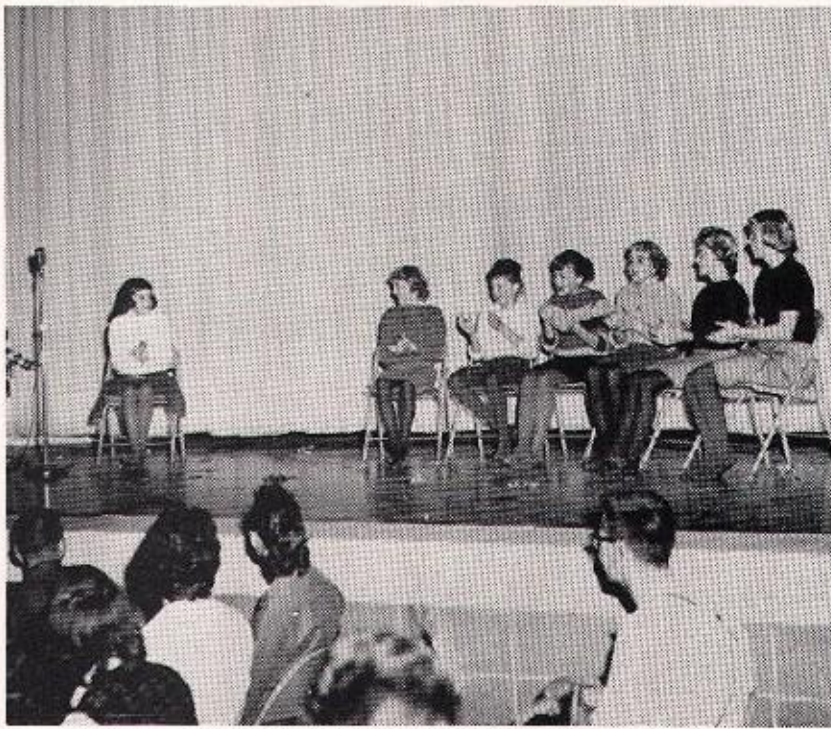

Dr. No-Yong Park, Lloyd La Vaux, and Jack Rank rendered performances in October and January. Dr. Park, an authority on Far Eastern problems, inspired our students when he spoke in a penetrating lecture "The Red Shadow Across Asia" of the struggle between democracy and communism across the Pacific.

Lloyd La Vaux, a master of the accordion as a concert instrument, played music ranging from Chopin to Rodgers and Hammerstein and demonstrated artistry which amazed those who were unacquainted with the delightful aspects of a too frequently abused instrument.

In January, Jack Rank portrayed characters from Shakespeare's **The Taming of the Shrew**, **The Merchant of Venice**, and **Macbeth**. By using imaginative characterizations, authentic costumes, and unusual vocal equipment, Jack Rank presented a complete program of fascinating entertainment.

JUNIOR HIGH CHORUS

Mrs. Osani

The Junior and Senior High Choruses offer a large number of students the opportunity to sing classical and semi-classical music of moderate difficulty.

There were five officers of the Junior High Chorus. L. to R.: G. Currie, C. Fessenden, P. Linnan, S. McDonald, R. Simar.

During the year, both organizations participated in the Christmas program under the direction of Mrs. Dunn. In January, Mrs. Osani replaced Mrs. Dunn as choral director. The chorus members are taught to sing and appreciate music.

VESTED CHOIR

Twenty-four of the more talented members of the Glee Club study and sing music which requires extensive practice and concentration. In the Vested Choir, these singers learn to interpret music in an artistic way. In addition to the contributions the Vested Choir makes in school choral programs, the organization attends varied events in the community.

Assisting the Senior High Chorus, the Dramatics Club helped to present the Christmas program. In the spring, they presented a "Night for Music," a medley of songs by Rodgers and Hammerstein. Under the guidance of Mr. Swinsick, members learn fundamentals of make-up, lighting, and stage presentation.

DRAMATICS CLUB

LIBRARY CLUB

Members of the Library Club assist our librarian Mrs. Hallstrom with her various duties. Filing, assisting at the desk, and preparing books for use

are some of the responsibilities which the members assume.

The Library Club stimulates the interest of the students in library science as a vocation.

LATIN CLUB

Latin Club is one of the oldest organizations in our school. It has been a pattern of the Club to annually initiate new members, to hold a fashionable Christmas party, and to participate in a traditional Roman banquet. The main objectives of the Latin Club are to promote the knowledge of Latin, to increase the interest of Latin and Greek life among the members, and to bring about a spirit of friendship and fellowship among the members.

L. to R.: L. Dunbar, J. Hellman, C. Gregory, M. Connolly, D. Dow.

Front Row: J. Babola, secretary; S. Church, president; Mrs. Watkins, advisor; L. Farmelo, v.-president; C. Wendt, treasurer. **Second Row:** K. Manning, B. Welsh, J. Gamble, L. Dunbar, S. Warner, S. Ford. **Third Row:** M. Michelitsch, M. Goodrich, L. Culver.

FUTURE FARMERS OF AMERICA

With a total of thirty-six members, the F.F.A. has one of its largest enrollments. The motto of the club is "Learning to do, doing to learn, earning to live, and living to serve." Under the supervision of Mr. Osani and the leadership of Dick Brown the club was again very successful in raising money for the trip to the State Farm show. One of the projects was the selling of sets of tools and screwdrivers.

Other officers in the organization are H. Dawley, vice-president, T. Coldren, secretary, R. Shaffer, treasurer, J. Higley, sentinel, M. Postlewaite, chaplain, G. Ford, student advisor, R. Ostrom, student advisor.

In the Allegany Mountain Area Chapter, D. Brown is Vice-President and H. Dawley is Chaplain. D. Brown was recipient of the Keystone Farmer Award.

FUTURE TEACHERS OF AMERICA

Organized for those students interested in the teaching profession, the Fred N. Hardy Chapter of the Future Teachers of America is in its sixth year.

Junior and Senior members again assisted teachers in elementary and secondary teaching. Some members had actual teaching experience. The annual banquet was held in February, this meeting included the induction of new members.

Officers for this year are Mary Lena Michelitsch, president, Judy Gamble, vice-president, Janet Tenglund, secretary, Karen Manning, treasurer.

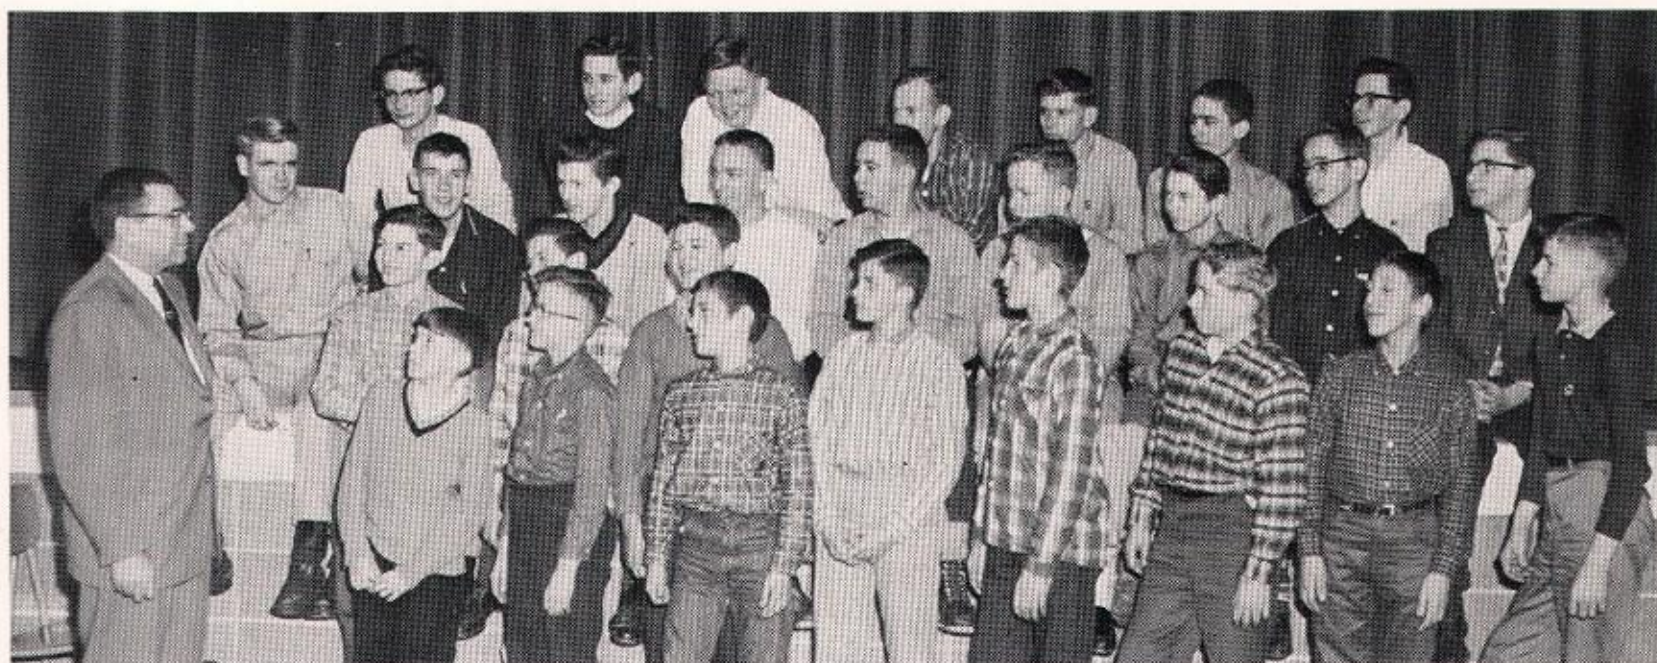

Mr. Osani, H. Dawley, D. Brown.

Front Row: S. Church, K. Manning, J. Gamble, M. Michelitsch, Mrs. Licastro, J. Tenglund. **Standing:** K. Michelitsch, J. Mantz, L. Moshier, J. Ryan, L. Dunbar, P. Reese, S. Ford, D. Johnson.

Because of the increasing use of visual aids in education, the Projector Club is especially important to our school. The members learn to use the opaque projector, movie projectors, and the recording equipment.

Members are tested after a training period, and then they are issued an operating permit. The club projects are to raise funds to buy additional equipment and to plant Christmas trees.

CAMERA CLUB

Under the direction of Mr. Petzold, members of the Camera Club become acquainted with cameras and camera equipment. The club exhibited copies of award winning photographs obtained through the courtesy of Ansco. This club has great potential since they hope to become proficient enough to take pictures for the Tiger Lily in future years.

L. to R.: M. Scheibner, P. Appleby, R. Falk, R. Barth, M. Sorenson, V. Rittburg, Mr. Petzold, D. Keech.

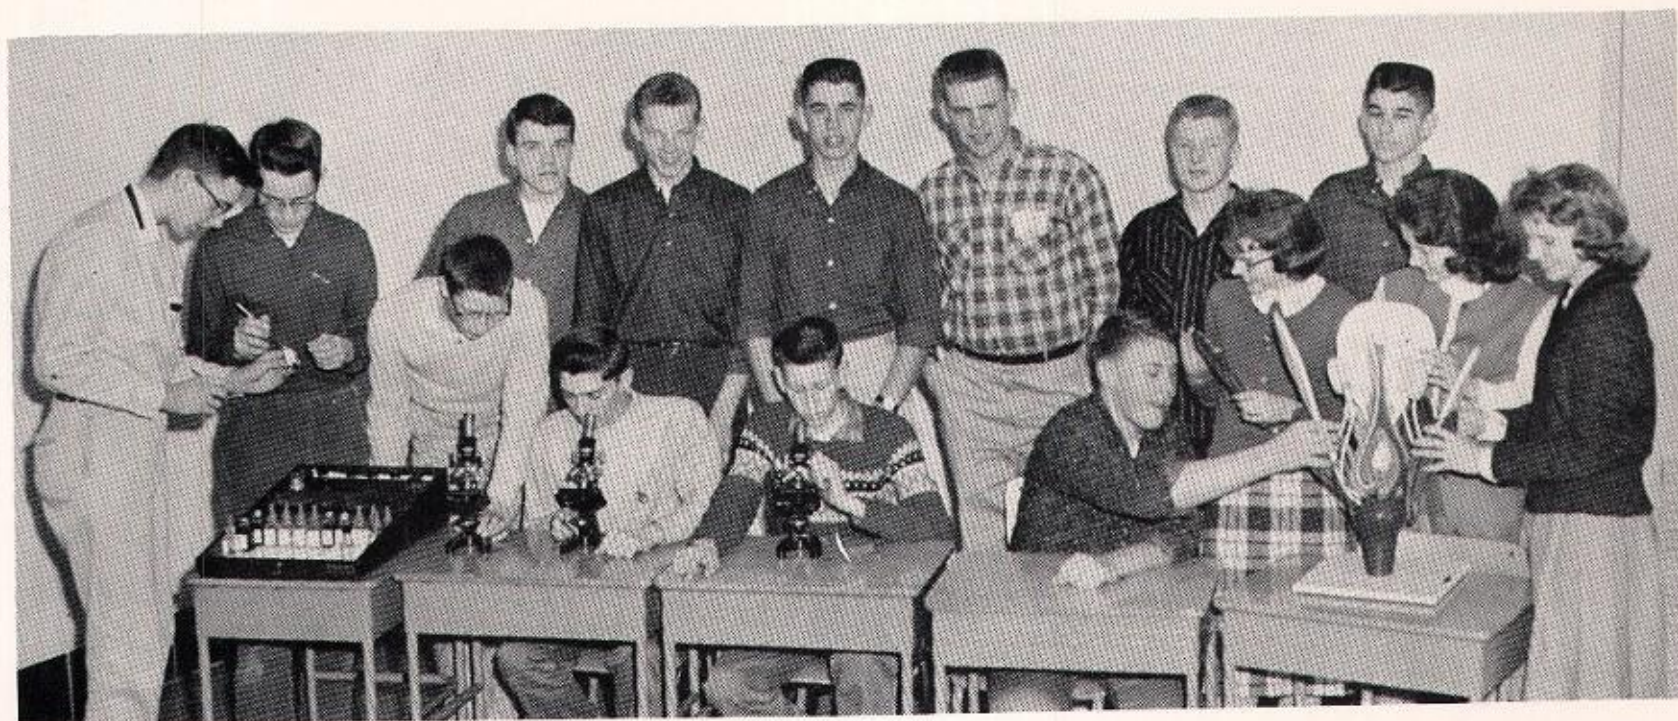

PUBLICITY CLUB

One of the newest clubs in our school is the Publicity Club. Members collect important news items pertaining to school affairs and submit them to the Reporter Argus. The club keeps the public aware of the activities of the student body. The chief reporters are Barbara Brown and Linda Sullins. Mrs. Glesk is the club's advisor.

L. to R.: B. Brown, Mrs. Glesk, L. Sullins.

One of the oldest clubs in the school system, consisting of twenty-eight members and one sponsor, is the Biology Club. It is an organization for students who desire to gain more knowledge about Biology than can be obtained in the class room. Its active members are boys and girls from the Sophomore Class.

This year the Biology Club has had many activities. They made microscope slides to further their study, took many field trips, listened to public speakers, and saw many movies during their club period.

ART CLUB

Meeting during the regular club period, the Art Club had for the first time a junior-high division. The junior part, under the direction of Mr. Campbell met in the cafeteria. Some of the activities were opaque water colors, stage design, and ceramic figure.

The club membership is made up of those students who are interested in art and art activities. This year the club president was Jim Minard, who is a four-year member.

L. to R.: W. Vicic, vice-president; S. Warner, sec.-treasurer; J. Minard, president.

Boys who have earned their varsity letter in football, basketball, or track and the varsity cheerleaders belong to the Varsity "P" Club. This year's club consists of twenty-four members under the direction of Mr. McLaughlin.

Every year the club follows a pattern. This pattern calls for money raising projects to buy

jackets and sweaters. Some of the annual projects include selling programs at basketball and football games, selling season tickets, and scheduling basketball games between the teachers and well-known teams. This year the Varsity "P" Club sponsored a game with The House of David Club.

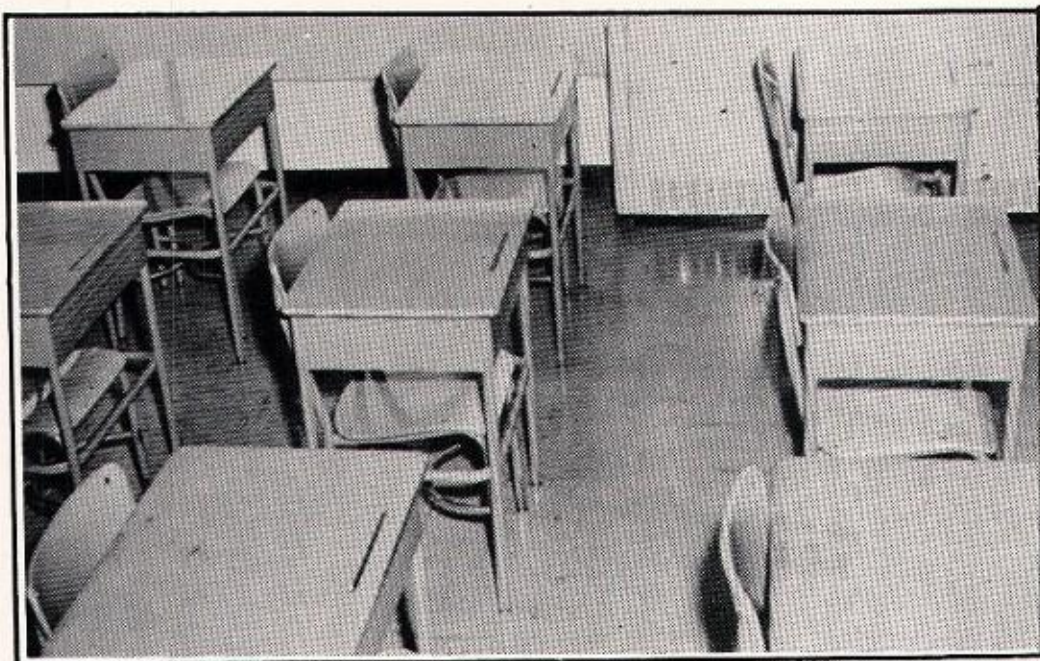

CONSERVATION FISH AND GAME CLUB

To instruct students in the wise use of our natural resources, the Port Allegany Conservation Fish and Game Club has many projects. During the year, students participate in stocking trout in the surrounding streams, enjoy lectures on fly-tying, shell reloading, and scope uses on various types of rifles.

This year, the club included fifty-eight members and three advisors. The members were eligible for prizes annually awarded to the person who gets the largest deer, turkey, or trout. Through these projects, the members acquired knowledge of conservation.

ALMA MATER

Although Yale has always favored
The violet's dark blue,
And the gentle sons of Harvard
To the crimson rose are true,
We will hold our lily slender
Nor honor shall it lack
While Port Hi stands defender of
The Orange and the Black.

Through the four long years of high school
Mid the scenes we know so well,
As the mystic charm to knowledge
We vainly seek to spell.
Or we win athletic victories
On the football field and track,
Still we work for dear old Port Hi and
The Orange and the Black.

When the cares of life o'ertake us
Mingling fast our locks with gray,
Should our dearest hopes betray us
False fortune fall our way;
Still we banish care and sadness
As we turn our memories back,
And recall those days of gladness
'Neath the Orange and the Black.
